One of the saddest and most brutal crimes ever committed here was the murder of Mr. Randolph Mason, Grocer at 119 and Vine streets by Leon Sawyers and Mack Lowden both colored last week. His funeral was held in the Centennial Church last Thursday. He leaves a widow and five small children who have the sympathy of the entire community. It's regrettable that the Legislature does not restore capital punishment in this State because if there was ever a case where hangings was justifiable, it is in this case. The accused men are in jail awaiting trial.

INSTANTLY MURDERED.

Ralph Shaw, thirty-seven years of age, an expressman well known in the City was shot by Herbert Rivers (white) business agent of the Building Laborers' Union near 14th and Highland last Friday and died in a few moments. According to the statement of witnesses, Shaw was trying to stop a difficulty between a white and colored man, both members of the Union when Rivers is alleged with an oath to have asked him what he had to do with it and started to draw his revolver and was struck by Shaw and immediately replied by firing a fatal shot. Rivers was arrested and after spending a night in jail was released on a \$10,000 bond until the preliminary hearing.

NURSES GRADUATE.

The graduating exercises of the Nurses of the Old City Hospital held in the auditorium of the Y. M. C. A. last Monday night was a delightful affair and was largely attended by representative people of the city. Many prominent white people were also in attendance. The address by Dr. Daniel Richardson, President of Lincoln Institute and the paper by Dr. Daniel H. Williams the famous surgeon of Chicago, Ill., were excellent and highly appreciated the large audience in attendance. At the request of the President of the Hospital and Health Board the Editor of the Sun made a few remarks which seemed to be highly appreciated. Musical numbers were rendered by Nurses Louis Parr and Ione Coleman while Hon. W. P. Motley President of the Board presented the Diplomas, after which class pins were presented by Miss Lulu G. Warlick, Supt. of Nurses, followed by delightful songs by Mr. Edw. Boatner and closing remarks by Dr. Wm. J. Thompson the aggressive and highly successful Supt. of the Institution. It was the best Commencement the Institution has ever known.

MR. T. B. WATKINS
the well known Undertaker, elected Worshipful Master John Turner Lodge, A. F. and A. M.

AN APPRECIATION.
We are sincerely grateful to the friends and neighbors who so kindly assisted us at the death of our infant son, and we especially thank the following ladies for the beautiful floral offering: Mesdames Fairley, Longdon, Locke, Duffie, Huff, Johnson, Rather, Lowery, Walker, Wright, Misses Cox and Tyson, Mr. and Mrs. Davis, and Mr. and Mrs. Edward Loden. To each of you we pray God's choicest blessings.—Mr. and Mrs. Thomas J. Saunders, 2726 Highland avenue.

TREAT NO. 11 RIGHT.

At the last election the tax-payers voted a bonded debt upon our City for \$2,000.00 for which to motorize our Fire Department with the latest and best equipment—the proposition carried by a vote of 5 to 1, because the tax payers readily saw the need of adequate fire protection. The equipment is here, being tested and installed. Rumor has it that No. 11 Hose Company located at 1812 Vine Street is being discriminated against, but we are waiting with intense interest for the installation of the promised car. The old one now in use is out of date absolutely an obsolete piece of junk, more suitable for sand or coal hauling than for fire service. When it was given to them it had seen several years of hard service—all other companies at that time were given new cars. Now, if above stated rumor be true and knowing the Company was openly discriminated against at the last distribution, may we ask why? All during the Campaign and on the day of the election the boys and their friends were actively engaged in urging every one not to forget to vote for the bonds because the carrying of them meant better fire protection and a new car for them. Hose Company No. 11 has always borne an excellent record for bravery and as efficient fire fighters. Now, in the name of justice it is the duty of every loyal citizen to see to it that their record is maintained by installing one of the new cars. The best citizens of our city are on delegations that will wait upon Chief Henderson and have him to urge that a cheap piece of politics will not be played this time.

A SOLDIER'S PRAYER.
By Arthur Taylor.
Our father who are in Washington, Baker be thy name, thy cables come, Thy will be in Bordeaux as well as in Lemans
And forgive the bugler, Mess Sergeant Y. M. C. A.
And deliver us from the Army of Occupation
And forgive us from another service stripe
For thine is the army of M. P.—Q. M. C.
Forever and ever Amen.

The committee on the entertainment of Colonel Young during his stay desires to express their sincere thanks to Mr. Theron B. Watkins, Kansas City's foremost undertaker for the use of Mr. David Allen's elegant limousine throughout the entire day and evening, Mr. Watkins bearing the entire expense. It is needless to say that Colonel Young was given a royal time during his brief stay when we inform our readers that he was in the hands of Mr. T. B. Watkins, Dr. T. C. Chapman, Lawyers Houston and Calloway, Dr. J. E. Perry, Dr. J. E. Dibble and the Editor of the Sun.

REST ROOM.

The refusal of the large stores downtown to accord our ladies the courtesies of their rest rooms has brought a new problem to the colored people of this city that must be solved. Miss Vernetta Allen of 1518 E. 19th street who conducts a beauty parlor at that number has decided to install a rest room comfortably equipped for our women and they are invited to make it their headquarters and make the freest use of its facilities. Telephones will be installed and books, periodicals etc., can be found there for one's enjoyment. Ladies, get behind Miss Allen and make this innovation a success.

A WORD OF THANKS.

I take this method of making a public acknowledgement of the assistance given me by Dr. William J. Thompson and his colored and white associates during my eight months' inability at the Old City Hospital. It was privileged to use my experience as a tailor, which during my last month's stay, enabled me to gain my financial and physical strength together. I have been in my present location since January 14, and all the success I am having I owe it to these and other friends who aided in deeds when deeds were necessary.

OUR TRAVELING REPRESENTATIVE.

Interview, Mo.
In this little village I spent the week end as the house guest of Mr. and Mrs. Columbus Blair. Mrs. Blair sold a hog for \$40.00 Saturday. Mr. Blair is a sugar cane farmer and sells more than a thousand dollars of sugar cane each year. The Blair's father and sons own about forty town lots. All of our people own their own homes with lots of ground and are very prosperous. The only physician who is a man rents his house from a colored man. All of the churches and schools are on the same street. Sunday P. M. we had evangelistic service at the A. M. E. Church for which they showed their appreciation in a very substantial way. Mr. W. A. Brown, a Civil War Veteran subscribed for the Sun and says he has known the Editor from childhood.

At Warrensburg we found a cold driving rain but despite the weather were successful in our efforts for the Sun. Here I was the guest of Rev. and Mrs. M. J. Gipson.

I arrived in Sedalia May 19th and went to the home of my cousin, Miss Susie L. Johnson but found that she had gone to Tulsa, Okla., to attend the Commencement of her daughter's school, but I found her sister, Mrs. Lucy T. Alden, who entertained me very pleasantly. I had the pleasure of attending the 27th Annual Commencement of the Lincoln High School which was grand. Principal Hubbard and his assistants are to be congratulated in their splendid showing. Sunday I attended the Baccalaureate sermon of Geo. R. Smith College preached by Dr. H. K. Bright of Baker University, Baldwin, Kansas, and at 8:30 we heard with much interest Dr. W. E. B. DuBois, Editor of the Crisis.

There is not a representative Church Building in Sedalia, we are sorry to say and our people seem to be too self satisfied. During our stay the brother of Officer Moffitt was buried and Mr. O. D. Jackson was seriously injured in cranking a car in a garage where he was employed. The following day we left for home after a very pleasant and successful trip.

Mrs. Rosetta B. Green.
